

Cantilever Library Shelving

All Estey Library Shelving is powder painted with a tough, baked enamel finish to assure years of lasting beauty. Please contact your local Estey dealer to view our 12 different finishes.

A Word About Tennsco

Tennsco Corp., headquartered in Dickson, Tennessee, began operations in 1962. Today, Tennsco is an industry leader with over 1.4 million square feet of manufacturing and warehouse space in six facilities. Tennsco offers a wide variety of filing and storage systems, steel office furniture, industrial and institutional shelving, lockers and shop equipment.

Environmentally Friendly Products

Tennsco steel products are certified SCS Indoor Advantage Gold for indoor air quality and low VOC emissions.

Tennsco products allow our customers to apply for LEED* credits as described below:

- a. MR Credit 4.1 and 4.2 – Recycled Content
- b. MR Credit 5.1 – Manufactured Regionally
- c. MR Credit 5.2 – Extracted and Manufactured Regionally
- d. EQ Credit 4.2 – Low Emitting Materials, Paints

Unique Shelving for Unique Libraries

Your library is unique, and you'll find that our Estey Cantilever Library Shelving System accommodates your needs unlike any other shelving available. Estey Cantilever Library Shelving is designed to be functional, versatile, and aesthetically beautiful. Our components are fully interchangeable allowing you to expand or reconfigure as your needs change. And, numerous quality construction features such as superior multibend uprights, sturdy brackets, adjustable levelers, and a powder coated paint finish also provide durability, practicality, and flexibility that offer years of quality performance.

Nashville Public Library – Nashville, TN | Architecture by Robert A.M. Stern Architects – New York, NY

Long-Lasting Finish
Premium powder coating offers great looks and long-lasting performance.

Practical Design
Obstruction-free weld frame design.

No Sway Braces for Increased Storage Flexibility
Elimination of sway braces allows you to store oversized media past the center line of bookstack.

Flexible Design
Adjustable on 1" centers in a 6" repeat pattern to meet your specific needs.

Superior Uprights
Superior multibend uprights with twice the right angle bends (16) of other systems.

Choice of Bases
Choose standard one-piece base shelf construction or optional two-piece adjustable base with recessed kick plate.

Quality Construction for Simple Rearrangements
True unit construction to simplify rearranging bookstacks when needed.

Rounded End Brackets to Protect Books
End brackets have smooth, rounded edges which help prevent knifing of books.

Extra Wide Upright
2½" deep profile provides extra lateral stability. (2" deep profile also available.)

Sturdy Brackets
All brackets have a dimple design which allows shelf to lock into end brackets.

Adjustable Levelers for Maximum Stability
Six-point, fully-adjustable levelers on each double-face section – four-point on each single-face section.

The Estey Advantage ... More Bends for More Strength

Estey Weld Frame superior quality book stacks are built to last. When the frames are joined together, they provide twice the number of right angle bends (16), which dramatically increase the frame's structural stability – an Estey first. Heavy duty, 16 gauge tubular top spreader enhances overall strength.

16 BENDS FOR EXTRA STRENGTH

Nothing compares to ESTEY Weld Frame

Here's why:

	Estey WF	Brand L	Brand W	Brand A
Sixteen (16) upright bends each frame	✓			
Largest upright cross sectional area	✓			
16 gauge tubular top spreader (3" x 1")	✓			
STANDARD multiple six point base leveling (on double entry units)	✓			✓
STANDARD one piece base shelf	✓	✓	✓	
STANDARD base strip (kick plate)	✓			✓
