

# MODULAR DRAWER CABINETS

## READY TO SHIP DRAWER CABINETS

Modular drawer cabinets feature a capacity of 400 lbs per drawer. Multiple drawer access allows several drawers to be opened at one time. The included layout kits help create smaller compartments in each drawer to keep your items organized. Dividers can be easily adjusted to create perfectly sized compartments.

The cabinet can be locked to secure all the drawers closed at one time. The forklift base allows you to easily move a fully loaded cabinet. Front and back covers are included to cover the forklift opening to prevent items from rolling underneath. Cabinets ship assembled.
