

MAXIMIZE STORAGE: with Mobile Shelving Systems

Maximize Space

Enhance Efficiency

Ensure Security

HIGH-DENSITY MOBILE SHELVING

The Mobile Shelving Storage System optimizes space by **reducing storage footprints by 50%**, offering adaptable solutions for a variety of industries.

Smart Storage for Every Industry

- ✓ **Healthcare & Pharmacy** – Store medical records, prescription fulfillment bags, and supplies securely.
- ✓ **Education & Libraries** – Organize books, periodicals, and reference materials efficiently.
- ✓ **Retail & Corporate** – Optimize inventory, office supplies, and business documents.
- ✓ **Government & Military** – Securely store classified files, weapons, and gear bags.
- ✓ **Museums & Archives** – Preserve artifacts, paintings, and historical documents.
- ✓ **Athletics & Manufacturing** – Manage uniforms, equipment, tools, and inventory with ease.

Exclusive Mobile Shelving Features:

Barrier-Free Rail Design

Eliminates tripping hazards for safe, easy access.

Perfectly Aligned Rail System

Ensures smooth and secure movement.

Patented Guidance System

Provides precise tracking with no shifting or instability

Customizable End Panel Options

Choose from Wood-Tek, Steel, Laminate, and more to match your environment

CUSTOM SOLUTIONS TO FIT YOUR NEEDS

From manual side-to-side systems to high-density mobile solutions, Aurora Mobile adapts to your space requirements, increasing capacity while maintaining seamless accessibility.
