

AURORA WIRE SHELVING

AURORA
A SOLUTION FOR EVERY STORY

AURORA WIRE STORAGE

Aurora Wire Shelving is the smart choice for economical, versatile storage.

The open-wire construction promotes cleanliness, provides high visibility, and circulates air to reduce moisture and dirt buildup.

Starter & Add-On Unit

Starter

Add-On

Sliding Floor Track Mobile System

The Sliding Floor Track System is a perfect mobile storage solution to save 50% or more floor space. The patented design allows the flexibility of building a starter or starter/add-on wire shelving system in track lengths up to 20'.

When Cleanliness Counts

- National Sanitation Foundation approved
- Simple to clean
- Corrosion free
- Stainless Steel Track Inserts for Cleanliness

Barrier Free Track

The tapered V-groove aluminum track has a low profile for ADA compliance.

Track Lengths 6'-20' in 1" increments

Skate Kits for

Shelving Depths* 18", 21", 24", 30", 36"
