

Feeling Squeezed?

Cut your filing system in half,
and make room for the three new apprentices.

Turn all this...

Into just this,
with plenty of
space to spare...

Convert 10 standard vertical files
into just 3 Times-2 Speed Files®
with space to spare for everyone.

What's more....Times-2™ can store loads of things: files, binders,
cds, and office supplies. Spin once to get a closed door,
spin again to access your stuff.

Interested? Call your Aurora
dealer to find out more about
versatile Times-2 Speed Files
and get a Storage Planning
Assessment at no obligation.
