

Aurora Mobile Storage Lighting

Aurora offers efficient aisle lighting that can integrate with our E-Office mobile systems.

The individual aisle lighting is activated as an aisle is created and deactivated when the aisle is closed.

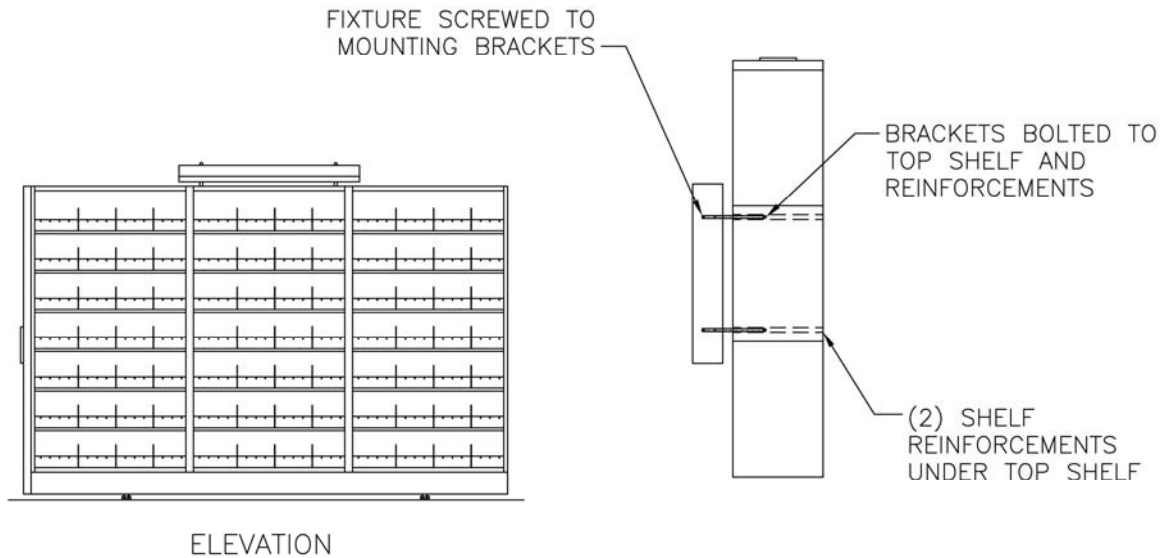

Fixtures are 48" wide with 2 - 40 watt bulbs (bulbs not included).

Electrical requirements:

- 15 amp minimum dedicated circuit
- NEMA 5-15, 125 VAC
- 2 pole 3 wire duplex outlet

Mounting Drawing
