

# TIMES-2 ROTARY

## KEYPAD SECURITY CABINETS

**Convenient keyless entry for multiple users at your company.**

**Simplify access and security to stored items with a pass code instead of a key.**

- Low-voltage keypad fits all Times-2 Cabinets as an alternate to the standard lock.
- An illuminated keypad for low light settings.
- Program cabinets for single or multiple users to maintain selective security.
- Saves time for quick access where units must be locked after each entry.
- Stores and secures pharmaceuticals, confidential files, small electronics, valuables, confiscated evidence and weapons.
- 10 heights from 29½" to 92½"  
Starter widths of 36½" and 45¼"

**When security and convenience are foremost in mind for storage, Times-2 Keypad Security Cabinets provide quick access with the touch of a finger.**
