

Storage Solutions for Insurance Companies

Policy Filing

Corporate Reception

Client Forms & Fulfillment

CSR Desking

Today's Insurance companies face many challenges: increased competition, younger customer expectations for new insurance offerings, and emerging technologies that require a switch in industry approach while still managing risk.

What hasn't changed is the unique storage requirements of insurance companies which are unlike any other market needs in terms of application, security, and retention schedules.

The team at Aurora Storage Products has years of experience dedicated to serving insurance clients.

Here's What You Can Expect From Aurora Storage Products

- Unique insurance storage solutions
- Exceptional Fit & Finish Quality
- Eco-friendly & Eco-safe powder coat finish
- Extensive breadth of sizes & colors
- Heavy Duty products engineered to last
- Antimicrobial finish options
- Made in USA
- A Limited Lifetime Warranty

Aurora Storage Products manufactures flexible and secure filing and storage for insurance companies. We can custom design a space efficient storage system with your needs in mind for reception areas, policy storage, high density archival storage, employee desking, mail centers, and corporate art collections.

Our products are manufactured in the U.S., are eco-friendly, and have a limited lifetime warranty. We offer full design support to create the most space efficient and cost effective storage now and for your future needs.
