Electronic Keypad Lock

PRODUCT SUMMARY
The Electronic Keypad Lock is a battery operated numeric lock (with optional Key-Fob) that is field installed, replacing the unit key core on Times-2 Letter or Legal Cabinets and on all Aurora Filing and Divided Drawers.

PRODUCT FEATURES AND BENEFITS:

- Works with Times-2* (Cabinet Lock only) and Aurora Shelving or Mobile Drawers to provide easy keyless security.
- Field installs and retrofits in the field
- Mounts in the vertical position on Times-2 posts and horizontally on Aurora Filing & Divided Drawers.
- Order with or without Key-Fob. Only one Key-Fob is needed per order.
- Infrared Operated Lock and Key-Fob
- Separate User Codes allow banks of units or drawers to be "keyed differently"
- Built in security with "Failed entry lockout" after 5 incorrect attempts
- Master & Supervisory Codes for varying or universal levels of access
- Dimensions: 5"L x 1"W x 2"D, Weight: < 1Lb.
- Colors: Chrome or Black finish
- 5 Year Lithium Battery

**Cannot be used on Times-2 Security Drawers*

Install the Keypad Lock on Aurora Filing or Divided Drawers

The Keypad Lock can be coded differently on each unit allowing selective access with maximum security where required.
